Professional Radiologic Technology Major Courses: 51 semester credit hours

*Beginning with FALL 2019 admission

Course ID	Course Title	Semester Credit
RDTC 110	Introduction to Radiologic Science & Patient Care	3
RDTC 120	Basic Procedures	3
RDTC 130	Imaging Concepts	3
RDTC 140	Intermediate Procedures	3
RDTC 150	Advanced Procedures	3
RDTC 165	Contrast Procedures	3
RDTC 170	Radiographic Pathology and Trauma	3
RDTC 210	Imaging Properties	3
RDTC 220	Clinical Education	4
RDTC 245	Clinical Education	7
RDTC 250	Advanced Imaging	3
RDTC 265	Clinical Education	7
RDTC270	Radiation Protection and Modalities	3
RDTC280	Senior Seminar	3
	Total RT Professional Semester Credit Hours	51
	Total credit hours required for the degree	75

student will develop and demonstrate patient care skills, perform a variety of diagnostic radiographic procedures, and actively seek to learn and perform all aspect of a diagnostic radiographer. Throughout clinical education, the student will be assessed and advised in the development of the necessary skills of an entry level radiographer, and must meet ARRT’s Clinical Competency Requirements by the conclusion of clinical education.

RDTC 265 Clinical Education

(0/0/7/7/320)

During three (3) separate clinical education courses, the student will perform diagnostic radiographic procedures under the supervision of ARRT certified and registered radiologic technologists. The student will develop and demonstrate patient care skills, perform a variety of diagnostic radiographic procedures, and actively seek to learn and perform all aspect of a diagnostic radiographer. Throughout clinical education, the student will be assessed and advised in the development of the necessary skills of an entry level radiographer, and must meet ARRT’s Clinical Competency Requirements by the conclusion of clinical education.

COURSE DELIVERY STATEMENT

CUKC does not guarantee a particular format for delivering its curriculum. CUKC may update the curriculum or change the format in its discretion, including but not limited to as a result of ongoing program review processes, changing accreditation or regulatory requirements, or “force majeure” (defined as fire, earthquake, flood, inclement weather, power outage, act of God, labor disturbances, riots or civil commotions, litigation, war or other act of any foreign nation, power of government or governmental agency or authority, pandemic or any other cause which is beyond the control or authority of CUKC). Students shall not be entitled to a refund by reason of change in curriculum content or delivery format.
